Wainwright Industries Leases 100,000 SF

By *Katie Hinderer*

5300 Kansas Ave.

KANSAS City, KS - Wainwright Industries Inc, a company that provides metal stamping, machining and logistics services to companies around the globe, has signed a lease for 100,000 square feet. The warehouse building is located at 5300 Kansas Ave.

The exact lease terms of the deal were not released. According to company information the asking rental rate is \$3.25 per square foot.

BH Properties owns the class A building, which features 16 docks and 24 foot ceilings. The property allows for easy access to both I-635 and I-70. The 507,000-square-foot building was constructed in 1975 and was recently renovated to add new lighting, upgrade the doors and repaint the exterior.

The owner was represented by Mark Long and John Green of Zimmer. Jerry Fogel with Kessinger Hunter represented Wainwright.
